

My favourite song is Alan Walker's "Darkside", a great song for chilling out. I first heard it on my favourite radio station, Teen Buzz Radio

I love it because it has a really strong beat, a great rhythm and an amazing video clip.

The lyrics are catchy and pull you towards listening to it over and over again.

The maker of this song is Alan Walker. He is a is a Norwegian DJ and record producer. He is best known for his 2015 single "Faded", which received platinum certifications in over 10 countries.
